One suspect has been arrested and 4 remain at large as a result of an armed robbery that occurred early yesterday evening.

On December 09, 2016, at approximately 5:30 p.m., officers and detectives of the Salisbury Police Department responded to the Bank of Delmarva, located at 921 Eastern Shore Drive for a report of an armed robbery. Bank employees stated that multiple masked suspects entered the bank, displayed guns and demanded money.

Further investigation revealed that the five suspects entered and left through the back door of the bank, located on the parking lot side. Immediately, all five suspects displayed handguns and began demanding money. They proceeded to order the bank employees to the floor while tying their hands. The suspects then removed an undisclosed amount of U.S. currency from the bank teller drawers, prior to fleeing the bank on foot. Detectives were able to capture the attached CCTV still images of the four unidentified suspects while they were in the bank.

The suspects fled the store on foot with the U.S. currency. Fruitland Police Department K-9 assisted in the investigation and conducted a track for the suspects which did not reveal additional evidence. After collecting and analyzing evidence, detectives have been able to locate, identify and arrest 28 year old Calvin Lee Holley for his part in robbing the bank.

Detectives have captured the attached still images of the four remaining suspects while they were in the bank. As detectives work to try and identify the four remaining suspects, the police department is requesting assistance from the community in identifying them. One of the victims was treated and released from Peninsula Regional Medical Center for minor injuries sustained during this incident.
